MaintSmart Software, Inc. Pricing for 1/1/2017 – 12/31/2019

MaintSmart Enterprise Software versions 5.0 (perpetual license)
Product(s): MS500E

MaintSmart comes complete with ALL modules and nothing extra to buy later. Extended support (toll-free phone with upgrades) is completely optional and email support is free for life. MaintSmart's database runs on free Access drivers or Microsoft SQL Server 2008 R2 – 2016 Express (free). This is a concurrent perpetual license model and is a full Windows application. Runs on Windows XP – Windows 10. Each license is for one logged in user. Two computer installs are allowed for each license. For example: a three (3) user license may be installed on six (6) computers with three (3) active users logged in at the same time. There is no limits on named users regardless of license count.
