

## MaintSmart 4.0 Partial List of Installed Components

### Installed File

Microsoft .Net Framework 2.0 service pack 2 component  
Crystal Reports 2008 runtime component  
SoftwareToolbox.OPCDataControl.dll  
SoftwareToolbox.OPCDAL.dll  
SoftwareToolbox.Extenders.dll  
AxInterop.OPCDATALib.dll  
AxInterop.OPCSERVRBRLib.dll  
Interop.OPCDATALib.dll  
Interop.OPCSERVRBRLib.dll  
Interop.Excel.dll  
Interop.JRO.dll  
Interop.Office.dll  
Interop.VBIDE.dll  
Interop.ADODB.dll  
C1.C1Preview.2.dll  
C1.Win.C1FlexGrid.2.dll  
C1.Win.C1Preview.2.dll  
C1.Win.C1Spell.2.dll  
C1.Win.C1Thesaurus.2.dll  
Interop.Word.dll  
log4net.dll  
msado15.dll  
msjro.dll  
mso97.dll  
olc430.dat  
Excel8.olb  
SKCLNET.dll  
Utils.dll  
MaintSmart.exe  
MaintSmart.chm  
OLEDB 2.1 component  
OLE 2.4 component  
Microsoft Jet Engine 3.51 component  
Microsoft Jet Engine 4.0 component  
Microsoft Data Access 2.7 component  
Microsoft Component Category Manager component  
Microsoft Common Dialog Control 6.0 component  
Microsoft C Runtime Library 6.0 component  
MFC 6.0 component  
DCOM 95 component

### Purpose

Prerequisite for .Net developed MaintSmart.exe  
Reporting components  
OPC server/data control  
OPC server/data control  
OPC server/data control  
OPC server/data control  
OPC server/data control  
OPC server/data control  
OPC server/data control  
MS Office support  
MS Office support  
MS Office support  
Visual Basic 6 support  
Data access component  
ComponentOne .Net Component  
ComponentOne .Net Component  
ComponentOne .Net Component  
ComponentOne .Net Component  
ComponentOne .Net Component  
MS Word compatibility  
.Net event logging  
Data access component  
Data access component  
MS Office compatibility  
OPC server/data control  
MS Excel object library  
.Net component  
Proprietary MaintSmart utility component  
Primary program output (main application executable)  
HTML hrlp file  
Windows data access component  
Windows component  
Data access component  
Data access component  
Data access component  
COM compatibility  
User interface control  
Windows component  
Windows component  
Windows component
